暑假快要來臨了，你有什麼計畫呢？每年暑假我都會到鄉下奶奶家，今年大概也不例外。我其實很喜歡去奶奶家，因為我可以看到可愛的堂妹，我們可以一起玩娃娃。叔叔也會帶我們去河邊釣魚，在河邊烤魚。今年我還希望可以把游泳學好，新學期開始會有游泳課，我一定要在開學前學會游泳。真的好期待暑假啊！

鄉下 country 不例外 no exception 烤 roast

期待 look forward to

Summer vacation is coming. What plans do you have? I go to my grandma's house which is in the countryside every summer vacation, and there is probably no exception this year. I actually like to go to my grandma's house because I can see my cute cousin, and we can play with the dolls together. My uncle will also take us to fish by the river and roast fish by the river. I also hope that I can learn swimming well this year. There will be swimming lessons in the new semester. I must learn to swim before going back to school. I really looking forward to the summer vacation!
