### 1121204 高中職生中翻英短文翻譯參考答案

Next Saturday is Molly's birthday. After she implored her mother for a long time, her mother agreed to let her have a birthday party. She decided to invite her good friends to her party. She bought some snacks and drinks at the supermarket, and she also ordered some fried chicken, French fries and pizza. She began to look forward to the coming of next Saturday and hoped everyone would like her birthday party.
