過去數年中，騎腳踏車在台灣已經變成一種流行。騎腳踏車不僅可以幫助我們保持健康，也有益於環境。在週末或假日時你會看到很多人在路上騎腳踏車。在台灣的城市裡，無數的腳踏車店一間間的冒出來了。為了讓騎腳踏車的人能安全騎行，政府在城市中也建了許多腳踏車車道。

Over the past few years, riding a bike has become popular in Taiwan. Riding bikes not only helps us keep fit, but also it is good for the environment. You may see many people riding their bikes on the streets on weekends or holidays. Numerous bike shops have popped up in Taiwan's cities. The government has also built a lot of bike paths around cities in order to let bikers ride safely.
