便利商店裡有許多種類的飲料。當人們走進一家便利商店時，他們總是被清涼飲料吸引。所有年齡的人幾乎能挑選到他們想要的飲料，然後他們對喝飲料感到滿足。青少年比成年人花更多的錢買飲料。他們喜歡買汽水、果汁或罐裝飲料。然而，他們很少喝水。最後他們因為每天攝取很多糖分而體重增加。如果你也是這些青少年之一，喝飲料替代水，你最好戒掉這個習慣。

There are many kinds of drinks in convenience stores. When people walk into a convenience store, they are always attracted by soft drinks. People of all ages almost can choose drinks which they want, and then they feel satisfied with drinking them. Teenagers spend more money buying drinks than adults. They like to buy soda pop, juice or canned drink. However, they seldom drink water. Finally, they will put on weight because they have much sugar every day. If you are also one of the teenagers who drink soft drinks instead of water, you had better give up this bad habit.
