小魚哦了一聲，裝作明白的樣子，重新打招呼說：「你好啊，老爺爺魚。」大魚氣得咬了幾下自己的牙。小魚嘻嘻笑著說：「再敢有意見，就叫你老不死的魚喔。」

The small fish sat steadily on the wave and went back and forth along with it. It seemed to be happy as if it sat in a cradle. The small fish also saw the big fish and it greeted it enthusiastically, "Hi! Old fellow fish, how are you?" Huh? The big fish was startled and thought: Am I so old? How could it call me an old fellow fish? It said angrily, "You're so rude. I'm still young. How could you call me an old fellow fish?"

The small fish said "oh" and pretended it had understood. It greeted again, "Hello, there. Grandpa fish." The big fish gritted its teeth with anger. The small fish grinned and said, "If you dare to have any opinions, I will call you an old fool fish."
