### 1091123 高中職生 英翻中短文翻譯 解答

How diversified are you when it comes to choosing friends? I asked myself this question recently and found out that I really enjoy making and being with various kinds of friends. I am happy that I have friends who have children. I also enjoy the company of friends who do not have “human” kids but rather “pet” kids such as dogs, cats, and pigs. Most importantly, I have the best kind of friends: the understanding kind. You know this type of friends. They are the ones who, once you pick up the phone to call and say hello, actually are glad to hear from you and do not hint at being upset that they have not heard from you in a while. They are the kind of friends whom you can always turn to in times of need or trouble. These folks are invaluable and I truly appreciate their support. To sum up, I love the diversity of my friendships. Different friends may bring you different experiences. They all add up to a wonderful part of your life.

選擇朋友時你有多麼多樣化？我最近問了自己這個問題，發現我真的很喜  
歡結交各式各樣的朋友。我很高興我有些有孩子的朋友。我也喜歡和沒有  
「人類」孩子，而有「寵物」毛孩像是狗、貓和豬的朋友在一起。最重要的是，  
我有最好的一種朋友：善解人意的朋友。你知道這種類型的朋友。他們  
是那種一旦你拿起電話打招呼，他們會很高興聽到你的消息，不會因為很

久沒聽到你的消息而表示難過。他們是那種在你有需要或有麻煩時總能及  
時求助的朋友。這些人是無價的，我真心感激他們的支持。總之，我喜歡我  
友誼的多樣性。不同的朋友可以帶給你不同的經歷。他們是你生命中美好  
的一部分。
