快到中午了，媽媽說要自己包餃子，我高興極了，嚷著我也要幫忙。我拿著餃子皮，卻怎麼包都包不好，餃子包起來都歪歪醜醜的。後來，我放棄了，既然無法像媽媽包得那麼漂亮，我就來包我喜歡的形狀，我包了元寶、小籠包造型，心裡得意極了，這一看就知道是我包的。

It was almost near noon, my mother said that she would make dumplings by herself. I was so happy and shouted out that I wanted to help. I took the dumpling wrappers, but I couldn't make them well. The dumplings I made looked crooked and ugly. I gave up afterward. Since I couldn't make them as beautiful as my mother's, I could make them become the shapes I like. I made the gold ingot-shaped and xiaolongbao-shaped ones. I was very proud of myself. Everyone could tell they were made by me.
