### 1140616 高中職生中翻英短文翻譯參考答案

Mera is quite hungry, and she hangs around on the road and looks for her dinner tonight. A scent comes; it emerges a smile on her face immediately. It is the smell of the hot pot, and she has decided what to eat for dinner. Mera likes hot pot very much because she can decide what to put in and cook. And eating hot pot in winter is the best; you will feel warm after finishing it. It drives away the feeling of cold. Nothing can make Mera happier than eating hot pot.
