春風輕輕地拂過臉龐。我漫步在人行道上，望著商店。這時風吹了起來，清涼的風在和煦的陽光下顯得更加溫暖。記得小時候，春風帶我到一片向日葵花田，盛開的向日葵看起來就像是一顆金黃色的小太陽。每年春天一到，我就會望著窗外，等春風帶我去玩。一起去看樹上新的綠色嫩芽、一起去我小時候曾經去過的那片向日葵花田玩耍。

The spring breeze gently whisked my face. I wandered on the sidewalk and looked at the shops. At this time the wind blew, and the cool wind was warmer in the genial sunshine. I remember when I was little, the spring breeze took me to a sunflower field, and the blossoming sunflower looked like a small golden yellow sun. Every year, when the spring comes, I will look out from the window and wait for the spring breeze to take me to play. We go and see the new green shoots on the tree; and we go to play on the sunflower field that I used to go when I was little.
