There are eighteen boys and twenty-two girls in my class. Of all the boys, Tom is the tallest. But he is not the heaviest. Tim is the heaviest in the class, and his school bag is also the heaviest because he always likes to bring many storybooks. As for the girls, Linda is the lightest. She is very thin and is only thirty-five kilograms. But she is lively and always wears a smile on her face. Everybody in the class likes her very much.

充滿活力的 lively
