1140714 高中職生英翻中短文翻譯題目

We can learn many things on the Net. For example, we can read news, plan our travels, or buy new clothes. However, we can still find something bad on the Net. Playing online games becomes very popular, and it's easy to make young people get addicted. Besides, surfing the Net for a long time may make your eyes and hands uncomfortable. At last, you may forget to do homework because you spend too much time surfing the Net.

addicted 上癮
