### 1150126 高中職生中翻英短文翻譯參考答案

We feel safe in our comfort zones and don't want to change. So, it's not easy for us to do new or hard things. However, we all need to get out of our comfort zones. To get out of your comfort zone, you can do something a little different each day. You can get up early or take a different road to work or school. You can also do the hard things. You can face your fears. For example, you may be shy, but you can try talking to other people first. When you get out of your comfort zone, you grow and change. You learn to face new things and even like them. Just remember to take baby steps!
